
Guide for Authors

The Economists' Forum invites papers presenting the conclusions of theoretical or applied economic studies, scientific debates, or book reviews. The articles can be written in Hungarian or English (for the special issue). The articles should be submitted to one of the following e-mail addresses:

balint.nagy@econ.ubbcluj.ro,
office@rmkt.ro.

The text should be between 15 and 20 printed pages, numbered, A4 format, characters Times New Roman 12, single spacing.

The first must contain the title of the article, the author's name, their complete scientific title and affiliation (professional address, phone, e-mail), followed an abstract of 5-10 lines, that should present the main results of the article. The abstract will be followed by 5-7 keywords.

The authors are also required to submit an English and Romanian abstract with keywords in a separate document.

The presentation of bibliographical references:

In the text the references quotes will appear between brackets, with the name and the publication date, e.g.: (Gyeroffy 1997). For two coauthors they will use for example (Black and Scholes, 1973). In the case of three or more than three authors, only the first will be mentioned, under the form (Barberis et al., 1998).

If two references have the same author and the same publication year, they will be differentiated through letters (Fanra, 1965a). These letters will also appear in the bibliography.

At the end of the article the references will be presented as follows:

Periodicals: The list of the authors including the first name initial, the year of publication, the title of the article, the name of the periodical in italics without abbreviations, the number of the volume and the number of pages.

Books: The list of authors including the first name initial and the year of publication, the title of the book in italics without abbreviations, the publishing house, the place of publication.
