FATAL ACCIDENT OF MR. FERNIHOUGH IN HUNGARY

It is with deep regret that we have to report that the attempt of Mr. Fernihough, the brilliant British motor cyclist, to establish a new record on the famous track of Gyön ended in a fatal accident. In the second section of the track Mr. Fernihough's machine, while running at a speed of 270 kilometres (about 170 miles), suddenly broke in two and the motorist was hurled into a ditch beside the road. Mr. Fernihough was immediately taken to Prof. Verebely's clinic, Budapest, where he shortly afterwards died of the injuries sustained in the accident.
